It costs almost a fortune, for an ordi-
nary man, to test one of our largest guns, say
one of fifteen inches caliber, that throws a solid
shot weighing 450 pounds. But the most ex-
pensive cannon ever tested by this govern-
ment, was the somewhat noted Bu-channan,
whose recoil proved most disastrous, shat-
tering into ovenwood the Cincinnati platform,
killing the famous "Old Buck" of Pennsylva-
nia, and rendering treason as active as ever
was a nest of hornets by the teasing of a lot
of mischievous boys.

"An Old Salt," in response to the offer
of "A Corn Man," has given \$500 for the pur-
chase of food for the destitute English opera-
tives, and says: "Although we are engaged in a
struggle requiring large contributions and
heavy taxes, we have—thank God!—a shot in
the locker for the starving poor of every
country; and, while we are willing to give
freely, I beg leave to say that we have the
means and a settled determination to resist
at any cost, all and every interference from
abroad in our family quarrels."—[Boston
Journal.

THE PRIVATE ALABAMA.—Capt. Young, of
the schooner Rising Sun, arrived at N. York
on Saturday morning, reports that he left at
Port Praya, (Western Islands) Aug. 16, the
rebel privateer Alabama, waiting for guns and
ammunition, which he understood has been
brought there in a barque that had arrived just
previous to his sailing. This confirms the re-
port already current in regard to the manner
in which the Alabama got her equipment as a
privateer.—[Boston Journal.

Congress commences its session on
Monday next. The message will be looked
for with more than usual interest. The pub-
lic will read what the President has to say on
the Emancipation question with profound at-
tention.

"You a dentist, Bob? I did not know
you were in that trade." "Yes," said Bob; "I
follow no other business but setting teeth—in
beef, potatoes, bread, and such like."

POOR RICHARD'S

EYE & EAR WATER!

No Organs of the human system are more im-
portant to health and comfort than the Eye and
Ear, and yet none are less understood or more neg-
lected. They seem to pass even common observa-
tion, and yet every part of the body is dependent upon
them for life and health.

Poor Richard's Eye and Ear Water

Is a new and rare discovery, which is most won-
derful in its operations, putting to blush the old systems
of treatment, which have quite as often done harm
as good. Below we give the certificate of Rev. P. S.
Henson, Pastor of the Broad Street Baptist Church,
Philadelphia. If any one has doubts as to the value
of this remedy, they may learn more of its medical
value by addressing a note of inquiry to—

PHILADELPHIA, Oct. 17, 1862.

From injuries received in my right eye, when a
boy, a chronic inflammation had been produced, in
consequence of which I suffered constant misery.
Every moment of my waking life was embittered,
and I was frequently unable to sleep at night.
A variety of remedies had been resorted to with-
out success, and I entertained the purpose, as a last
resource, of having the ball taken out of its socket, in
the hope of thus finding relief.

In the meantime, most providentially, I noticed
one day in a shop window a bottle of POOR RICH-
ARD'S EYE WATER. I had never heard of it be-
fore, but determined to try it, and did, with the most
delightful results. In a very few days the painful
irritation was removed; I could bear the strongest
light, and went forth to the enjoyment of a new life.
I now keep a bottle of it always in the house, and if
my eye seems at all disposed to annoy me, I give it a
dose, and that is all that is needed. I would not be
without it for any amount of money. I take occasion to
say, further, that my wife used to suffer severely at
times from protracted pain in and over her eye, and
she has found POOR RICHARD'S EYE WATER a sover-
eign specific in her case, giving her instant relief.
Grateful to God for the benefit that I have
personally received, I cannot but commend the prepa-
ration to all who have been sufferers like myself.

P. S. HENSON,

Pastor of Broad Street Baptist Church.
